MYA, MYA, MYA
WHAT A TIGHT ASS YOU HAVE

Do you guys want to see me get fucked in the ass. I know you do. Well, I'm going to oblige you to-
night. I'm going to get me a cock and suck it hard, and then stick it in my pussy, and finally I'll
let him shove it up my ass. Since I'm small and his cock is big, I think it may hurt for a minute, but af-
ter that's done, I'm going to love it. But how will you know? By looking at my face, and then back at my
ass, and then back at my face. And how's this all going to end, you may ask? On my face, of course!

A woman with curly brown hair is lying on a bed with white sheets. She is wearing a black top and a silver chain necklace. She has a playful expression with her mouth open. A man's arm is visible around her waist.

Sometimes I think I can cum just when a guy looks at me butt, it's that sensitive. Seriously though, it is so sensitive because it's so small and tight,. It seems that no matter how many large cocks cum in through my back door, it always seems to tighten back up and get ready for the next one. Even if it's three times in one day. Even though guys like to fuck my ass, my pussy gets some good attention, too. Oh, and don't forget my mouth!

LOVE ME
LOVE MY MOUTH

I know you would love to see my big beautiful boobs, hot pussy and perfectly round ass. My favorite thing to do is to tease a man until he can't take it anymore and then I'd swallow his cock whole, twist his balls tight and then make him fuck me until he releases in me or on me.

I've been asked so many times about my piercings. I have several tops for the studs and I wear them according to my mood. I'll wear the one that says 'cock sucker' in my mouth and one that says 'fuck my ass' down below if that's what I want. Or when I'm with a woman, I'll wear 'pussy licker' on my tongue and 'finger fuck me' on my clit. It's always fun!

Amazing Vanessa,

I saw your cover of **Black Dolls** with Vanessa Blue on it and, I have to tell you, she looks amazing.

I love her look and, man, those boobs. I love big boobs and she seems like she likes hers, too. If I could, if she would allow me, I would take her on a trip to Europe. We could visit Paris and the Riviera. I know she probably would not sleep with me since it would be our first trip together, but if we went to the Riviera, I could at least see her topless in

real life at the beaches.

And, initially that would be great for me. I have tried to imagine laying on a beach chair as she emerges from the ocean with water dripping off her breasts. She would come over to my chair and I would take the beach towel and dry her off, lingering on her chest to get every drop. Then she would ask me to rub lotion on her and I would oblige. I'd get only the good stuff, because that's what she deserves.

Can you extend an invitation to her on my behalf?

Black Dolls: Thank you guys. I hadn't seen Vanessa in print in a long time. She looks marvelous. I have always loved her big boobs and butt and man, can that babe fuck. Some of the hottest sex scenes I've ever seen are with her, especially in a three way with another girl and guy.

DeShawn, Queens

I've included my address and phone number if she would like to call me and let me know if she will go. I'll pay for everything and even pick her up in a limo.

We'll go to St. Tropez and stay for a week and then back to Paris for another week in the City of Lights. I know she can't refuse an invitation like that! Please contact me so I can book the airline tickets.

– Milos, Philadelphia

Brielle's hot, hot, hot

I picked up a copy of your magazine and after looking at Brielle, I had to write you. She is one of the hottest ladies I have ever seen. She's hot and sexy – and hot. I love those big breasts and great figure. No skinny waifs for me. I want a complete woman with a healthy appetite for food and sex. She looks like she could take a pussy pounding, roll over and let you stick it in her ass. The harder you push those buttocks, they harder they would push back.

She seems flexible and acrobatic in her sex shots. Now that has to be a turn on right there. I keep in good shape just waiting to find a woman like that. I want to feel her hot skin next to mine. I want to see her stand on her head while I eat her out. I want to bend her over backwards and pump that pussy. I want

Then the money shot would be on her chest as the splooge and water mix and flow into her mouth.

to do a vertical sixty-nine with her standing in the sands by the ocean.

I want to make her cum over and over again. And if that isn't enough, I want to do it to her all over again!

– Rayjean, Miami

Wet Dreaming

I was thumbing through your **Black Dolls** issue and have an idea for a pictorial for your photographer to shoot: a couple having sex in the shower. I had to write you be-

cause I have a shower sex fantasy and that pictorial would just really get me, and I'm sure many others, off. My dream girl has nice full boobs and a firm round butt, and a little older. They make better lovers. They usually don't have hang-ups about sex or trying new stuff, because they have probably already done it.

They also are ready to please a man where as younger women want to please themselves or just get it over with and then leave because they have things to do, like meet

their girlfriends at the mall. What I especially like is when a woman can lick her own boobs and even better, if they can suck their own nipple. That's a real turn on to me and if she is sitting on my hard cock and doing that, I can really get off.

But a full-breasted woman dripping wet in the shower with soap running down her body, between her breasts and legs, I can almost cum just writing about it. Then the guy would get his cock sucked as water streams down her back and into her butt crack as she's kneeling on the floor for the bj. Then he would get behind her and fuck her from the back with a bunch of close-ups showing his wet cock going into her wetter pussy and ass. Then the money shot would be on her chest as the splooge and water mix and flow into her mouth.

Anyway, just wanted to say thank you in advance if you do this hot pictorial. Drop me a line and let me know when you're going to print it so I can go out and buy several copies. My return address is on the envelope.

– D'Anthony, Seattle

Wet Dreaming

For years we were on and off boyfriend and girlfriends and I would take turns between them. I was the boyfriend to two girls, Moriah the girl next door, and Kihannya the girl across the street. One understood that the other was the one for that time we were to be together.

Moriah had been with only one guy – me. I introduced her to sex a few years back. It was she that wanted to try it. I was her sex toy her early twenties. Kihannya was almost the same. She had sex with a guy or two after me. According to Moriah, Kihannya did not enjoy sex with these guys as it just lasted for a few minutes.

I had a loft above my garage where I sometimes slept. I had electricity and a TV; that's all I needed. At this time I was the boyfriend of Kihannya. As usual Moriah hung around with us. Kihannya was a horny girl who just liked the feeling of my cock in her. She would ask me to lay down and she would get on top, push it in her and just lay there. She

worked hard to make her insides work as she heard of from others. This day Kihannya wanted some and would not let me alone. So I motion to the loft area. She is up there and nude in seconds. Moriah stayed to watch and hear her friend moan. She has

to her glove.

Unfortunately, she never wanted me to go down on her. All she wanted was to fuck, and fuck hard she did. So right into her tight little body I go. Legs spread and her butt working the pussy to me. She moans and

been in the same position while Kihannya is in the other room.

Kihannya has a nice set of tits, about a D cup with dark nipples that get really hard when they're erect. Her hair is long and loads of curls. She has cleanly shaven pubes, which I like. Her pussy lips are thick and she is a bright pink on the inside. And it's always been incredibly tight whenever I assailed it. The saying of 'fit like a glove' is mild compared

cums with in a few seconds. I look and Moriah is watching. I smile and she smiles back. I tell Kihannya, and she gets excited. She had always wanted to do a porn video of us.

Moriah would watch us and look at it go in and out and tell me how it looks. "Damn, that's hot, your pussy is wrapped around it tight, I see skin from you on his dick." That only made Kihannya hotter and wanting more. I pounded and

Moriah gave a blow by blow of the action. I am about to blow a load and Moriah yells; "His balls just pulled up tight, he is cumming." Kihannya got more excited. I dump a load and Moriah gives the details, "Damn girl, his nuts jumped up in his sack and cum is running out of you." I came several times and with each, "Damn, Kihannya, that must feel good, he is fucking you hard."

I finish and get cleaned up, while Moriah tells Kihannya more details. Kihannya is so excited she cannot take it. She wants to see this for herself. "Moriah, let him fuck you so I can watch this time!" Moriah gets undressed and I notice her panties have a large wet spot. She got wet, in fact soaked, each time we had sex. So I know she needs no warm up, but I stick my finger in her anyway. Kihannya is sucking my cock to get me good and hard. Moriah is soaked and I pull my finger out and it's soaked with her pussy juice.

She is ready and assumes the position. I slide in easy and Kihannya gives the play-by-play this time. "Moriah, his cock's spreading you open and the skin is moving to

the side. Now fuck her fast and hard." I'm finding that more of a command than a description, but it's making us both hotter. I know that's not what Moriah likes, she wants a slow stroke. Right on time, Kihannya says, "Slow down, you two, I can't see so good."

"Damn Moriah, it's going in and out of you good; and lots of juice. His dick shines from the juice. Have you cum yet?" I say no and Moriah is about to; I hear "Oohhhh." softly and know what's next. Moriah holds her breath for a long time and finally she lets out the sounds of climax. I slam her and she cums again. After her fourth orgasm she is done until I cum.

Kihannya is rubbing my nuts and holding them up to see better. Moriah is working her little ass like a machine. I shoot the first load and my balls jump in Kihannya's hand. Kihannya is excited and Moriah has cum and her own juice running down her ass crack. I get off and Kihannya looks inside Moriah's cum-filled pussy. "Moriah he filled you up." And that's the last thing I remember from that day in the loft.

JUST ONE COCK TODAY

I just got back from Europe yesterday where I made a few hot movies. Everyday was at least two or three guys and sometimes three or four other girls. While it was exciting and stuff I hadn't done before, when I got back here I just wanted a good slow, one-on-one fuck where I was in control again.

Steven loves to see my full pouty lips wrapped around his big, throbbing man-meat as I look up at him from my knees with my big brown eyes. Then I'll lay down on my side and back up into him and shove my firm round butt into him and grab his cock and guide it into my wet pussy. Then I'll move back and forth on it until I decide he can cum, but only after I do. Ah yes, it's good to be in control.

Oh baby, I just love getting head. It makes me cum almost every time. I figured the guys in this business should know what to do and not be afraid to go down south and get it done.

One of the reasons I got into this business is because I love giving blow jobs. My GFs and I would do J-Teaz and his posse (Hey, JT!) at Valerie's (Hey, Val!) house and we'd all take turns blowing the guys while they 'watched' football. It was a great way to spend Saturday afternoons.

I should breakdown much more often

I was headed to the Skytop area along Route 507 in the Poconos to meet up with some friends for a nice relaxing weekend in the cabin we had rented. I rushed out of the office early on Friday to get there before sun-down. Now I'm two hours into the trip and get a flat tire. I don't know if I ran over anything or it just lost all it's air. Nonetheless, I use my cell to get local information to get the phone number of a local mechanic in Greentown who can come out to help me. I get through to a gas station and sweet talk a young guy to come out and help me. It turns out I was only ten miles from the station, so he was there in a little less than a half hour.

I didn't have time to change before leaving the office so I'm dressed in my business suit with a deep purple jacket and white button-front blouse. I tell the mechanic that I'm on the side of the road waiting in a dark red late model coupe. He pulls up in his big tow truck with all the

leaning slightly forward, and my arms pushing my boobs together. I noticed that he was trying not to look, but he couldn't help himself.

loose parts rattling down the road. He jumps down and walks over to me, checking out the flat on the curb side of the road. Greeting him, I explain I didn't know what happened but I was in a hurry to get to the cabin. He smiled and said he'd get me back on the road in a jiffy. I got out of the car and stood at the other end from the flat. As I watched him bending and toiling over my car, his powerful arms at work, I just couldn't resist walking over to him and bending over, I tell him that he does that so well. When he looks up the first thing he sees is a great view of my impressive cleavage, made even more prominent by the way I was

I watch as he pumps air into the tire without success. Then he goes to the trunk to get the spare. "No spare? Looks like I'm going to have to tow it back to the station and fix it there," he announces. He backs the tow truck into position and hooks up the car to it. I get in the front with him and we drive back to the repair shop – and there with all his tools at hand, he fixes it quickly. When it came time to pay him, I go back into the car to get my purse and realize I had left it back at the office. I'm so embarrassed. "Neil, I don't know what to say, but I think I left my purse at work and I don't have any cash or credit cards with me. What can I do?" I say with a sheepish voice.

I get out of the car and stand in front of him awaiting his answer. Somehow our physical presence is almost too much bear. "I don't know," he says, "this doesn't happen very often." All the unspoken sexual tension seems about to

blow when he walks away to go behind the counter, brushing my chest. Seeing that he's smudged my jacket. "I'm sorry about your jacket." he says apologetically. "I've made your nice top all dirty now." Instinctively, he moves to brush it away, just as I go to do the same thing and end up knocking his hand onto my chest. He looks at me, but made no effort to remove his hand.

Suddenly, I was brave and horny at the same time. Boldly I say, "I'd rub that smudge off if I were you, before it permanently stains my nice jacket." He needed no second invitation and gently flicks his hand across my top. Instantly I felt a little turned on, and both nipples are now trying to poke through my clothes. He notices this, as now he is making no effort to get rid of the mark. Instead he starts giving my boobs a thorough massage. By now I'm really turned on, the thrill and unexpectedness of this whole thing are combining to make me more turned on than I've

been in a long time. "Wait - let's make this a bit easier for you," and I quickly take off my two tops and step out of my skirt. Now I'm standing there in the station with only the rear shop lights on in my heels, bra and

panties, feeling hornier than I can last remember. Neil walks over to me and grasps a boob with one hand and with the other gives my thighs a little stroke, running his fingers up and down my inner leg. Grasping his hands, I tell him to go wash up and I'll be ready for him then. He leaves for the bathroom and to the sound of running water, I completely disrobe and lean against the counter – waiting.

He re-enters and I step out into the surreal shop light. He pauses and looks at me up and down. Taking my hand, he leads me behind the counter, away from the windows. I see his hard young body straining at his unbuttoned overalls. Invitingly, I put one leg up on a shelf under the counter. Neil takes the invitation hungrily, his hand caressing my mound for a second or two and begins stroking my very wet pussy. First he slips one finger and then two into my wet, silky hole and slides them in and out in a slow but persistent rhythm.

Every few strokes he pushes a little deeper, until in no time he is ramming his fingers into my soaking pussy so hard I can barely stand, all the time his other hand is playing with my boobs and tweaking my hard nipples. Then he rams his fingers all the way in,

*Taking my hand, he leads me behind the counter,
away from the windows. I see his hard young body
straining at his unbuttoned overalls.*

I push his cock up against his belly and fill my mouth with one ball, then the next, then both. My tongue works them over inside my mouth as I stroke his cock...

and turns his hand a little so that his thumb is able to rub and play with your swollen throbbing clit. As his fingers explore my wet pussy, they find my g-spot and soon the combination of Neil rubbing both that and my clit at the same time becomes so intense that I can feel an orgasm beginning to build. "Do it harder," I shout. "Make me cum."

He carries on for a little longer, until I feel that an enormous, crashing climax will soon consume me. He obviously senses this, as he feels my body subtly changing as I get close to cumming. He drops down to his knees, pushes my legs even farther apart, and greedily begins to lick and suck at my clit. He is now finger fucking me with two fingers, slowly and surely plunging them in as far as they will go, while at the same time his quick, darting tongue is licking around my pulsing clit. This is more than my body can take, and soon I nearly suffocate him as a huge orgasm clamps shut my thighs as it rips through my body. This doesn't seem to stop him though, as wave after wave of my orgasm flows, he still carries

my mouth around it, working my tongue up and down the shaft and around the head. It smells of a slight musty manhood that I now find intoxicating. I devour his rod and work his balls furiously as I slurp up and down the object of my attention. I push his cock up against his belly and fill my mouth with one ball, then the next, then both. My tongue works them over inside my mouth as I stroke his cock up and down as he watches me in the subdued light.

Pulling his cock back down, I release his balls and begin to suck him again as I reach up to his chest and squeeze his nipples. I hear a muffled groan as perhaps it's just a bit too hard, but at that very moment I feel him jerk his cock in to my mouth harder and then a hot liquid stream of his jizz floods my mouth. It is so much that I cannot keep it all in and it drips down my cheek and onto my breasts. In one big gulp I swallow it all and stand up to give him a big wet sloppy kiss with a mouth full of cum.

His erection softens after a few minutes and he stuffs it back into his pants. He finds my clothes on the floor and hands them to me. "You don't have to tip me, ma'am," he says. "I believe that more than covers the price." "I do appreciate it," I say. We smile as I take my clothes from him. I use the bathroom to clean up and then jump into my car, only an hour behind on my trip to the Poconos.

on sucking on my engorged clit. After what feels like an eternity I feel my orgasm subsiding, and my legs open once more as Neil comes up for air, glistening with the slime and smell of my pussy juice.

Neil stands up and releases his body from his clothes. His large, hard cock is pointing at me, egging me on to touch and caress it. Which I do. Taking the eight inch piston rod in my hands, I drop to my knees and wrap

FIRE AND FLAME WHEN THE CHEMISTRY IS RIGHT

We met at Venus, I local bar in SoHo, and hit is off right away. We sat and talked until two in the morning when the bar had to close. We found out that we love European history, Japanese anime, Asian noodles, and pussy. Now we hang out and have an awful lot of fun with each other. Here's how we do it...

We've been together many times now, but Lucy lives in L.A. and I'm in N.Y. I visited her last month, my first time in Los Angeles. We had a great time seeing the sights of L.A., and the sights in her bedroom. Yum, yum. Next time she had a girlfriend she wants to introduce me to and then there will be three. Can't wait.

For me, moaning and groaning is involuntary. When you're fucking, and things are feeling good, moaning is another way of expressing my sexual emotions. When I'm groaning during oral sex, for example, it not only says what you're doing is feeling good and you gotta stay with it, but it will tell you when I'm about to cum so you can take me over the edge.

**SLEDGE

I'm really comfortable in using dirty words with my sex partners. It's such a turn on when he tells me what he wants me to do, or when I tell him what I want him to do. I like to use some very playful and erotic words with my man, and it turns the sexual pleasure meter up a notch or two. But it's the screaming that gets to them. When I'm cumming, I can't hold back and I gotta let loose. I think it intensifies my orgasm.
